Frozen Yoghurt

Frosty Boy offers a variety of powdered Frozen Yoghurt blends, each are made from the finest ingredients available. Each our our **8 Frozen Yoghurt blends** have a unique feature and flavour profile, with a smooth authentic yoghurt flavour. Boasting adaptability, our range of smooth yoghurt blends can be prepared plain, as part of a desert, in a smoothie, in a classic cone or add a special touch to the product by adding a flavoured syrup.

To stand out from the crowd, Frosty Boy offers a variety of Frozen Yoghurt blends, allowing you to cater for a larger customer base. Within the range we have blends that are sugar reduced. 99% fat free and a stevia blend.

Frosty Boy Frozen Yoghurt blends:

- Nova Yoghurt
- Yo D'Lite
- Yo Frost

1603/PBG206

Monalisa

Frosty Boy also developed the *Monalisa range*, which offers a large range of high-quality and premium frozen yoghurt blends for you to increase your choices to cater for a larger premium target market.

Our more premium frozen yoghurt blends include:

- Monalisa LF
- Monalisa Mild
- Monalisa Lite
- Monalisa Max
- Monalisa Stevia

Sorbet

Created under the Monalisa brand, our powdered soft sorbet base is a refreshingly delicious frozen desert. Created as a fat-free, neutral base, it is perfect to be flavoured with any range of flavouring syrups for an alternative choice in the growing desert market.

Custom Formulation

Frosty Boy's production and quality assurance enable us to offer the very best for our customers. Teamed with our Research and Development team we offer the opportunity to create custom formulated products to best meet your flavour and business specifications. Our team supports our clients with every step in bringing their product to life with local taste profiling in target country, sample development, sensory testing and fine tuning the final product based on your feedback.
