

ICE CREAM MACHINE S970F

Product features

- Soft Ice Cream machine** ·
Two hoppers, 2+1 twist flavors
- Silence** ·
Mute function, suitable for all kinds of high-class occasions
- Internal frozen cylinder** ·
No dead angle, prevent the reproduction of bacteria
- Continuous discharging ability** ·
Keep discharging even during the peak time
- Safety and energy-saving** ·
Adopt the most advanced soft-starting technology, safer and more energy-saving
- Intelligent fault detection** ·
Intellectual detection, multiple security
- Standby function** ·
Keep the temperature of hopper and cylinder remain 1-4.5°C in the evening
- Mixing in the hopper** ·
Agitator in the hopper makes the temperature of the mixture equal and the effect of pre-cooling better

Product parameters

Model : S970F	Specification: 770*520*1444mm	Self-check: Yes
Type : Stand model	Carton size : 890*650*1590mm	Mix-low alarm: Yes
Production capacity: 55L/H	N.W.: 226Kg	Frequency conversion : Yes
No. of hopper: 2	G.W.: 241Kg	Beater type: Stainless steel
Hopper capacity: 9.5L*2	Power: 3.2KW	Hopper agitator: Standard
Cylinder capacity: 2.5L*2		

Refrigeration system

No. of compressors : 2	Compressor capacity: 4094BTU/h*2
Gas of compressor : R404A	Refrigeration type: Air cool/Water cool
Compressor brand : EMBRACO/TECUMSEH	

Transmission system

No. of motor: 2	Voltage type: 220V/380V
Motor capacity : 550W*2	Hertz type : 50Hz/60Hz
